## USER MANUAL

Thank you for purchasing the Fenix vaporizer! In order to ensure safe use, please read all instructions and safety warnings before operating. Failure to follow instructions may result in injury and may void your warranty.

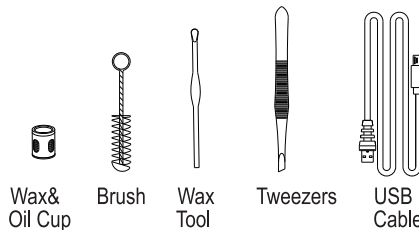

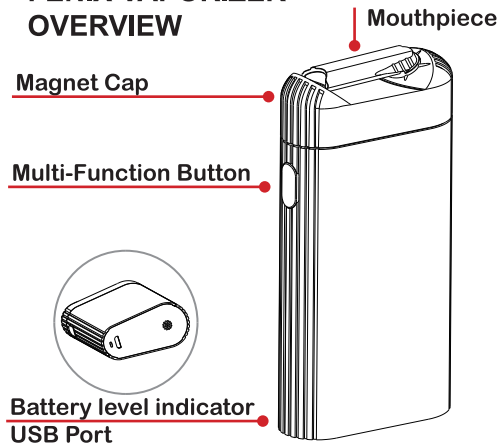

### Friendly User Tips:

- >For best results, fill chamber halfway or more, but do not pack tightly. This allows for even heat distribution and room to stir your herbal blends if necessary throughout usage.
- >To maximize efficiency, whenever possible after using allow unit to cool, and then stir herbs before the next cycle.
- >The screen assembly in the mouthpiece helps provide a smoother vaping experience, please be sure to clean it periodically.
- >Be sure to turn off the unit when you are done by pressing the on/off button 5 times within 2 seconds.
